**THE LIBRARY.**
**SC4’S BEST KEPT SECRET.**

Have you visited us lately? We are so much more than books! Did you know we have testing & tutoring in the evenings? Or how about our Interlibrary loan (ILL’s) system where we can get that book for you that we do not have in our collection? For test-takers scrambling at the last minute we sell scantrons & green books, and for your after-hours convenience we have a book drop out front! Study rooms can be booked from the comfort of your home and a fresh new question awaits on our interactive question board when you arrive! We are active on social media sites sharing events, interesting pictures, news and tips! For our students who need an extra-quiet environment to study, we offer our silent study room! Stop in today for help on your paper or to check out a book and you’ll be greeted by friendly staff willing to help! See you soon!

“The Sc4 Library Staff has helped me tremendously from the start of my return to college. I had practically no computer skills as an, lets just say, more seasoned student. The staff are all very patient; as well as, professional in their most excellent support. I cannot more highly recommend this terrific service providing reference library as a great stop to get help!” ~ Mark
